To celebrate the upcoming launch of KOS.PRO - a professional range of second generation male grooming products from King of Shaves - we offered one lucky reader an exhilarating, action-packed time at the Cowes Powerboat Festival on the Isle of Wight.

The lucky winner **Alison Morrison** and her guest will get the full VIP treatment, watching the action from the water aboard a luxury boat; including travel to and from Hamble, overnight accommodation on August 26 and lunch.

KOS.PRO is a range of 13 high-quality and technologically advanced shave, skin, hair care and styling products. It is the culmination of the brand's 15+ years' experience in male grooming and has been tested by industry experts worldwide.

KOS Pro will be exhibiting at stand J105 at [Salon International](#) in October. For further information on the range please visit www.kospro.co.uk
