

## PASTE, GUM & FIBRE

These are a mixture of clay and gel which are sticky and come in different consistencies (some are more runny than others). Like clay or mud, they should only be used on dry hair, but unlike the aforementioned products can be used on slightly longer hair of up to three inches. The texture is less matte than clay or mud but less high-shine than a gel, and they have some elasticity.

1. **Mess-Up Matt Gum £3 for 100ml by SCHWARZKOPF PRO-STYLING** Stockist enquiries 0800-328 9214; schwarzkopf.co.uk
